To the Citizens of East Bernard,

The City of East Bernard has recently entered into an agreement with Texas Pride Disposal of Rosenberg, Texas for residential trash service. Residential trash pick-up for customers within the city limits and customers half mile adjacent to the city will start on September 4, 2018. Trash collection will be Tuesdays and Fridays 7:00 a.m.-7:00 p.m. The monthly household rate will be 21.70 plus tax. Our citizens 65 or older will have a rate of \$19.50 plus tax with proof of age. Heavy trash will also be included on Tuesdays and Fridays. Limbs and sticks should be placed at the curb in 3 feet pieces. Customers will be furnished a 96-gallon maroon and gray, wheeled tote. The totes will also have the city seal embossed on them. The totes will be delivered to registered customers starting the week of **August 28th, 2018**.

Residents that currently do not use a residential trash service are not required to use Texas Pride Disposal, but are required to dispose of trash properly, for example, going to the Wharton County Solid Waste Station. Existing contracts with other trash companies will be honored until December 31, 2018, at which time you will need to register with the City of East Bernard for trash collection.

This process of having one company for residential trash service will cut heavy truck traffic in half, which in turn, helps slow down the rate at which our streets deteriorate. It also allows us to monitor the condition and safety of the trucks and the service provided. We want to make sure all our citizens are given the best service at the best price.

Anyone interested in the trash service can obtain an application at www.eastbernardtx.com or at City Hall. You may call the staff with questions at 979.335.6558.
